Dear Paul:

I would like to express my gratitude for the excellent work that Farrell Roofing, Inc. performed while replacing the slate roof on our largest and most prestigious home, House 1. This 6,000 sq. ft. residence, built in 1933, is the home of the St. Andrew's School Headmaster and is one of the focal points of our campus. The care and attention to detail that your company exhibited prior to, during and at the completion of the project was exemplary.

Many thanks for a job well done.

Sincerely,

David L. McKelvey
