Re: **Roof Replacement Project**
Drake Hall
University of Delaware
Newark, DE

Dear Mr. Farrell:

It was a pleasure working with Farrell Roofing Company on the roof replacement project this summer at Drake Hall. The attention to project schedule and details of the work made for a successful project. The roof system was installed as per manufacturer's requirements and will perform for at least a 20 year service life.

I look forward to working with Farrell Roofing Company on future roof projects.

Sincerely,

Weatherproofing Technologies, Inc.
